Dear Ms. Sackler and Mr. Snake:

I was honored by your invitation to attend the Sunrise Ceremony. Unfortunately, my campaign schedule does not permit me to accept your kind offer.

I personally want you to know how much your invitation is appreciated and how much I regret I am unable to attend the event. Please extend my best wishes to everyone involved in making the event a success for your organization. Again, thank you for the invitation and for sharing the enthusiasm of the Clinton/Gore Campaign!

Sincerely,

Al Gore
